

A ROMCOM FOR THE MODERN WOMAN

Daydreaming

CREATED BY LAURA GUEST

SHE ONLY MEANT TO DAYDREAM. THE UNIVERSE HAD OTHER PLANS.

STORY

Mia is a history teacher in her forties who's quietly resigned herself to a life of marking essays, making toasties for one, and avoiding her mother's relentless lectures on marriage and missed chances. That is, until she glimpses the new PE teacher in the corridor, a man who looks like every romantic comedy cliché rolled into one.

In that moment, something in Mia stirs. A long-dormant spark, a whisper of "what if?"

So, she gives herself permission, just twenty-four hours, to imagine the life she could have had with him. A harmless daydream. A playful indulgence.

From passionate stationary cupboard encounters to domestic bliss and Lord of the Rings debates, Mia's imagination paints the kind of love story that only exists in the quiet corners of the mind. But as fantasy collides with the everyday, she begins to realise that wishing, no matter how vividly, can't change anything without courage and action.

Blending gentle comedy with a soulful romantic undercurrent, Daydreaming is a love letter to every person who's ever lost themselves in a fantasy just to feel alive again. Set against the warmth of Norfolk life, it celebrates imagination, self-worth, and the beauty of allowing yourself to hope.

Because sometimes, when you finally open your eyes, you realise the dream was just a rehearsal for something real.

We are inviting Norfolk-based businesses to sponsor *Daydreaming*, a high-quality short romantic comedy written by and starring Norfolk actor Laura Guest.

The film will be professionally made with an experienced crew, filmed entirely in North Norfolk, and submitted to both national and international film festivals. It will also act as a proof of concept to pitch to production and distribution companies such as ITV, BBC, Netflix, and Sky.

That means the potential reach for your business logo and name is limitless – from local audiences here in Norfolk to global exposure.

Why Get Involved?

- **Positive PR:** Align your business with a high-quality, wholesome project celebrating Norfolk.
- **Brand Exposure:** Visibility in a film that will travel to festivals and beyond.
- **Community Impact:** Support local talent and help put Norfolk on the national and international stage.

Other Ways to Help

Even if sponsorship isn't right for your business, you can still support *Daydreaming* by sharing our crowdfunder with your customers, staff, and networks. Every individual contribution makes a huge difference.
